

Speak Up and be Safe from Abuse

Supporting people with communication difficulties to be safe from abuse.

Communication Plan

Name:

Are the books and the boards in the Speak Up and be Safe toolkit suitable for me to use?

How could a person use the Speak Up and Be Safe Visuals in the toolkit to talk to me about safety and abuse/neglect?

What kinds of questions could a person ask to help me to talk about my thoughts and concerns?

What other communication supports do I need to help reduce my risk of abuse and neglect?
